Light the Candles

Light the candles, spin the dreidel,
Celebrate our blessings tonight!
For our vict’ry, and our freedom,
Light the candles; see the light!

Join your hands now, do the hora,
Lift your hearts and sing out the song.
Latkes baking; oil making;
It’s a party, come along!

*Nes gadol Hayah Sham*
Miracles both great and small.
*Nes gadol Hayah Sham*
Let this be our call!

Light the candles, spin the dreidel,
Celebrate our blessings tonight!
For our vict’ry, and our freedom,
Light the candles; see the light!

*Nes gadol Hayah Sham*
Miracles both great and small.
*Nes gadol Hayah Sham*
Let this be our call!

Light the candles, spin the dreidel,
Celebrate our blessings tonight!
For our vict’ry, and our freedom,
Light the candles; see the light! Hey!
My Favorite Things

Raindrops on roses and whiskers on kittens,
Bright copper kettles and warm woolen mittens,
Brown paper packages tied up with strings,
There are a few of my favorite things.

Cream colored ponies and crisp apple strudels,
Doorbells and sleigh bells and schnitzel with noodles,
Wild geese that fly with the moon on their wings,
These are a few of my favorite things.

Girls in white dresses with blue satin sashes,
Snowflakes that stay on my nose and eyelashes,
Silver white winters that melt into springs,
These are a few of my favorite things.

When the dog bites,
When the bee stings,
When I’m feeling sad,
I simply remember my favorite things
And then I don’t feel so bad.
Let's Make It Christmas All the Time

Chorus:
Let’s make it Christmas all the time
and take the time to think of others
as we do at Christmas time.
Let’s make it Christmas all the time
and try our best to make an effort
as we do at Christmas time.

Verse 1:
People making sacrifices
so that they may give.
Never really feeling that they are.
People trying to find the way
to make the spirit live.
Spreading love and joy near and far.

Chorus

Verse 2:
People never being concerned
with what they may receive.
All their thoughts turn out instead of in.
Can’t you see, we shouldn’t ever
let that feeling leave.
Now’s the perfect time to begin.

Chorus
We Need a Little Christmas

Verse 1:
Haul out the holly,
Put up the tree before my
spirit falls again;
Fill up the stocking,
I may be rushing things, but
deck the halls again now.

For we need a little Christmas,
Right this very minute,
Candles in the window,
Carols at the spinet.

Yes, we need a little Christmas,
Right this very minute,
It hasn’t snowed a single flurry,
But Santa, dear, we’re in a hurry. (So)

Verse 2:
So climb down the chimney,
Turn on the brightest string of
lights I’ve ever seen;
Slice up the fruitcake,
It’s time we hung some tinsel
on that evergreen bough.

For I’ve grown a little leaner,
Grown a little colder,
Grown a little sadder,
Grown a little older.

And I need a little angel,
Sitting on my shoulder,
Need a little Christmas now!

Coda:
For we need a little music,
Need a little laughter,
Need a little singing
Ringing through the rafter

And we need a little snappy,
Happy ever after
We need a little Christmas now!
It’s Snowing (p. 1)

Introduction

Spoken:
It’s snowing, It’s snowing! Hey, look, it’s snowing!

Snow Is Falling

Snow is falling, softly falling,
Oh, what a wonderland, white and new!
Snow is falling, softly falling,
Come on outside, there’s so much to see and do!

A Marshmallow World

‘Cause it’s a marshmallow world in the winter
when the snow comes to cover the ground.
It’s a time for play, It’s a whipped cream day.
I wait for it the whole year ’round.

Those are marshmallow clouds being friendly
In the arms of the evergreen trees,
And the sun is red like a pumpkin head.
In winter it’s a marshmallow world!

Sleigh Ride

Just hear those sleigh bells jingleing,
Ring-ting tingleing, too,
Come on, it’s lovely weather for a
Sleigh ride together with you.

Outside the snow is falling and
Friends are calling, “Yoo-hoo,”
Come on, it’s lovely weather for a
Sleigh ride together with you.

Our cheeks are nice and rosy, and
Comfy cozy are we,
We’re snuggled up together like
Two birds of a feather would be.

Let’s take that road before us and
Sing a chorus or two,
Come on, it’s lovely weather for a
Sleigh ride together with you.
A sleigh ride together with you.
It's Snowing (p. 2)

Let It Snow! Let It Snow! Let It Snow!

Oh! The weather outside is frightful,
But the fire is so delightful,
And since we've no place to go,
Let it snow! Let it snow! Let it snow!

It doesn't show signs of stopping,
And I brought some corn for popping;
The lights are turned 'way down low.
Let it snow! Let it snow! Let it snow!

Spoken:
It's snowing! It's snowing! Hey, look, it's snowing!

Jingle Bells/Snow Is Falling

Jingle bells, jingle bells,
Jingle all the way,
Oh, what fun it is to ride in a
One-horse open sleigh!

Jingle bells, jingle bells,
Jingle all the way,
Oh, what fun it is to ride in a
One-horse open sleigh!

Part One sings "Snow is falling..."
Part Two sings "Jingle bells..."

Oh, what fun it is to ride in a
One-horse (open sleigh)!

Spoken:
It's snowing! It's snowing!
It's snowing!
